

# Hands up who'd like genuinely integrated practice software?

The Advance suite is everything you've been waiting for – a totally integrated software suite, all built on a Microsoft SQL platform. Work in a world where you can access all your practice software applications and client data via a single desktop window at once.

**Experience genuine productivity.**

Give the APS team a call on 02 9965 1300 or email [integrate@aps-advance.com](mailto:integrate@aps-advance.com) and get your hands on the Advance suite today!
